- Check your teacher's availability and set up a date, time, and place.
- Make fliers and invite your guests.
- Make a concert program including:
 - Artwork/Cover Page
 - Your name and instrument (and your collaborator's, if you have an accompanist)
 - Date, time, and location of the concert
 - List of the pieces you're going to perform (and the composer, or origin)
- Do a dress rehearsal in your lesson.
- Ask your teacher to fill out the announcement form to share with Orpheus.
- Get a good rest the night before and be ready to shine at the performance.
